## Membership Women in Hardware

Your annual membership in Women in Hardware includes:

- Online Profile listed on Women in Hardware Website
- Access to 1 Professional Networking Event held in conjunction with Wholesaler markets
- Invitation to 1 Professional Network Event held during The Hardware Conference (must be registered as a conference attendee to qualify)
- Additional networking and education events held
- Invitation to education webinars (fee per event based)
- Access to Women in Hardware's Facebook Private Group
- Charter Membership Designation

To activate membership and become a part of the movement by advocating and promoting leadership roles for women in our industry, sign and return a copy of this agreement to Diane Allen. Your membership will be designated as Charter Member.
